BERRY

Berry doesn't need to get in the shower to get all wet!
"You're right, all I need is a rock hard cock in my face
for me to suck, and then for me to finish it off in between
my dripping pussy cheeks! No extra water needed!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing.

SAMMY

So, Sammy Jane here thinks that girls rule, and that they hold all of the cards? Well, who are we to disagree? "Us girls do have quite a bit of control over you guys don't we? I mean if I was to stand here fully clothed and strip down until I'm fully naked I could get you to do pretty much anything I wanted you to do, couldn't I? I always get my way, girls like me always do!"

SARA

We're in love with Sara Luvv here at Escort magazine, and it's easy to see why! Not many girls are happy to strip off outdoors where anyone could see them in the nude, but Sara loves it. "I've never been shy of getting naked in front of people, in fact I love it! The only thing better than people seeing me naked is having people watching me getting fucked, I love putting on a good show!"

Polly

Polly loves a good soak down, especially first thing in the morning. "It takes a cup of coffee in the morning for some people to wake up, but for me and my husband a steamy shower and a quick fuck is all we need to get the day started!"

We've finally moved into the modern age, so all correspondence must be made via email. Address your email to: **contact@paulraymondmedia.com** with the **name and no.** of your chosen Contact along with the **magazine issue number** in the subject line of your email. We will forward all of your emails on, we will personally respond to any of the emails that you send.

"I'm a horny housewife with a an even hornier husband! He took these [photos] from his phone [that are really] find someone to join the two of us in an extremely dirty threesome!"

Who doesn't want a sexy, slutty office intern? At Paul Raymond we have them coming through the door every day! But we have a strict 'no fucking' rule, although we have no control about what happens out of office hours. But we've not got any problems getting the camera out and taking note of how hot some of them are and sharing them with you!

Penelope

We can think of worse things than being in a basement with Paige Turnah! "I'd lock the door and keep you down there as my own personal sex slave if I had the chance. I'd have you all tied up, and when I wanted to ride your cock I'd just walk down the stairs, pull your pants down and have my wicked way with you!"

"I've always wanted to be in a magazine and my husband, who is older than me, always bought Escort so we thought this might be a bit of fun!"

Cont. on P.62

SERENA

We're used to seeing a lot of things over here and two fingers up the pussy is pretty standard, but we're not used to the girls putting double digits up their bums! But it seems to be a bit of a fetish for Serena! "I get sick and tired of the normal, I like to try other things, but when I first experienced anal I knew it would be something that I'd never go back on!" On that note we would you mind turning around and bending over? "No, feel free!"

When Anne pulled up her skirt and showed us her knickers we thought she had Minions on her panties, but they turned out to be puppy faces. Either way, the sight of them got us panting and drooling! And then she got that 'shoulder' massager out and started positioning it in between her legs. At that point she had more than our full attention! And we're guessing yours too!

Vicky Peach is certainly someone we'd like to get our chops out and taste her juices! "Obviously 'Peach' isn't my real surname, but on the subject of peaches I did choose the name based on the fact that I have been known to secrete a rather large amount of juice from my pussy and a whole load of cum when I climax! Let's just say I need to change the bed sheets on a daily basis!"
